What is Kindergarten Prep?

We pride ourselves in building a strong foundation for our students. Our kindergarten prep will provide opportunities for your child to learn and grow in all developmental areas to best prepare your child for Kindergarten. We offer hands-on center exploration through both structured and free-choice play. Play is an important part of a child's development; we teach appropriately joining play, sharing, taking turns, accepting other ideas, resolving conflict, and bringing our imagination to life. Children are introduced to prayer and beginner Bible stories. Our curriculum is a combination of the Minnesota Early Learning Standards and the Happily Ever After curriculum. The Happily Ever After curriculum progresses into the curriculum utilized in Kindergarten through 2nd grade here at Holy Rosary. Kindergarten prep students will have use of the gym, library, computer lab, music, and Mass as part of our weekly routine. Classroom ratio is one teacher per 13 students.
