## Spelling Bee Finalists

The annual spelling bee took place this past month. It began with a written spelling test, completed by all in grade 5–8. That was followed by another written exam with half of the top spellers from the first round. We then determined our top 5 spellers who competed in the school spelling bee on Friday, January 29. The 5 spellers vied in both written and oral rounds to define our school winner. 1st place went to 7th grader, Zane Roberts, who went on to represent Holy Rosary in the regional spelling bee during the first week of February. Although Zane didn't place in the regional bee, he did very well and made his Holy Rosary family proud!

Other participants in the final round of the Holy Rosary bee were Leah Flugel (gr. 8), Ava Klemm (gr. 7), Audrey Flugel (gr. 6), and Ethan Quitberg (gr. 5). See pictures below.

**Way to go, everyone!**

## New Technology for 5<sup>th</sup> – 8<sup>th</sup> Graders!

This month we received the Chromebooks we had ordered in the fall for our 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> graders! The Chromebooks will replace the outdated iPads that we had in these classrooms for student use.

Transferring our upperclassmen from iPads to Chromebooks will familiarize our students with the

same type of device and the Google capabilities that are used at the high school level, here at the DLHS. A reliable device for each of our students will also allow for use at home while distance learning or for more efficiently completing other school assignments as needed. Protec-

tive cases were also purchased for each device. This endeavor was made possible through some federal funding that was granted to us and through the financial support of our PTO. We are thrilled to be able to have technology that is up-to-date and useful to instruction and our student's learning! We are blessed!

## End of the day parent pick-up line:

Please use the parent pick-up procedure to avoid parking lot trauma! Enter the parking lot from Lake Avenue, slowly drive around the parking lot to the welcoming center doors and your child will come to your vehicle when you pull up. You don't even have to get out of your vehicle. For our children's safety, we do not want them to run through the parking lot.

## Student absence:

If your child is **absent** for any reason, please call the office that day or in advance. Please leave a message on the voice mail if there is no answer. We always check the voice mail. We would like to make sure that we know your child is safe at home if they are not attending school. This communication from you is very important. If you are unable to contact the school by phone, send a written note to the teacher when your child returns. State law indicates that any student absent for three or more days during the school year without a valid excuse is considered truant.

## Communication Envelope:

The envelope is sent home with your child (oldest) most Thursdays that school is in session. It has important information such as report cards, forms, newsletters, etc... Please sign the envelope and **return it** with your child the following day.

## Bad Weather Policy

**All children are expected to go outside for noon recess.** Your child can stay *inside* only if the school is provided with a **doctor's excuse**. In colder weather the time is shortened and in extreme cold or wet weather noon recess is cancelled and children stay inside. When the temperature/wind chill reaches 10 below zero all students may be required to stay inside. **Also, in the event that school is cancelled due to bad weather, you will receive a phone call, text, and email from the Holy Rosary "School Messenger" Parent Contact System.** Also, please listen to KDLM or KRCQ radio stations, or WDAY TV. **If Detroit Lakes Public Schools are cancelled, Holy Rosary School and Preschool are also cancelled, as we bus together.**
