WE BEAT OUR GOAL

The 47th Annual Marathon for nonpublic education turned out to be a wonderful day. Over \$36,000 was earned for our school beating our goal of \$35,000. It was a blessing to see the participation by parishioners, alumni, family and friends. We couldn't do this without the support of everyone involved.

Cardinal Curly and Principal Larson

Thank you to all who donated or volunteered their time and talents. Jay Estenson, grandmother of Leila Schwarzerock, for baking 500 delicious cookies, Jimmy John's for donating the delicious luncheon, Catholic United Financial and parent volunteers for patrolling the route and keeping intersections safe for marathoners, the School Advisory Council at the registration table, Knights of Columbus who helped with the signs and the luncheon, and our generous and supportive sponsors who donated the funds to help pay for the t-shirts and prizes.

The Marathon Awards Program is November 1st at 2 p.m. in the gym, where students receive their prizes. Because we beat our goal of \$35,000 those students who earned over \$400, which is approximately 20, will have the opportunity to cover Fr. Michael with “silly string”. The top three winners of the school will get to cut Principal Larson's hair and color her hair red. Thankfully, there will be a hairstylist standing by to assist in the process. Principal Larson says she will be donating her long hair to the Locks of Love Program. Thanks again everyone! Terri Paskey, Fundraising Coordinator

Top picture: The start of the marathon as bikers leave the parking lot to go the 11 miles around the lake. Right picture, left to right: Jason Coley and daughter, Averi, Reagan Badurek, Talyn Anderson, Cardinal Curly and a guest, in line, to enjoy Jimmy John's lunch.

Thankful for our Grandparents

Wednesday, Sept. 25th we celebrated Grandparent's Day. We had a fun afternoon, with entertainment in the church followed by activities and refreshments in the gym. They were also able to tour the school. Pictures left to right: The Hills with grandparents, the Stuewes with grandparents, and Mrs. Hutchinson, music teacher, gathered grandparents up on the risers for a hand with the bells.

Our Pets Joined us for Mass

On October 4th, in honor of St. Francis, we had a blessing for all pets during Mass. Usually this is held outside, but due to weather conditions it was held in the church. St Francis of Assisi was an environmentalist who loved animals. He taught us to never be cruel to them. Pictures left to right: the Beckers and their pooch, Msgr. Tim blessing all the pets with holy water, and the Peeters' dog totally relaxed during Mass. "Until one has loved an animal, a part of one's soul remains unawakened." - Anatole France

Holy Rosary Readers

The third grade class visited Oak Crossing on October 16th. As a monthly service project, the class visits and shares a story with the residents of Oak Crossing. Although they were a little nervous about their first visit, they quickly discovered how much enjoyment they bring. Smiles were seen on the faces of the residents as well as the students! Good job Mrs. Aligada and her 3rd Grade Class

SAVE THE DATE!

Middle School

Our rescheduled, 2019 Middle School Twin Cities Field Trip was a great success. In addition to much improved weather, we were able to make three stops: Historic Fort Snelling, the Mall of America Aquarium, and the Minnesota History Museum, all in one day! At Fort Snelling, we learned where the waters meet at the confluence of the Minnesota and Mississippi Rivers. Not only was this high ground for the Fort's protection, it was as the sacred land of the Dakota people called "Bdote". At the Fort, we also got to take part in a number of outdoor activities including learning how to march in traditional military order, watching a firearms demonstration, and learning how to do laundry in a giant iron pot which took 75 buckets of river water to fill in the mid-1800's.

At the aquarium, we saw plenty of sharks swimming overhead and also got a behind the scenes tour where we visited the kitchen where they prepared the many different types of fish and vegetables for the various types of fish they house! We wrapped up the day at the Minnesota History Museum where we saw a working mining display, an authentic fur trading post and a display on Minnesota's Greatest Generation including a variety of military uniforms, a soda shop and a WWII airplane complete with a paratrooper movie/demonstration that had the kids jumping!
