# **The Percy & Winifred Stary Family Scholarship for STEM Fields of Study**

## **Science, Technology, Engineering or Mathematics**

- 1) The scholarship is eligible to those pursuing a degree in Science, Technology, Engineering and Mathematics fields of study. Business, Finance, Therapy, Mental Health and Liberal Arts, though components of the degrees have some STEM focus, are not eligible for the scholarship.
- 2) The student must have attended grades 6–8 and have graduated from Holy Rosary Catholic School.
- 3) The student must have maintained a “B” average or higher for the last year of high school.
- 4) The student must have completed his or her first year of a two-year or four-year college and maintained a “B” average or higher. A “B” average or higher must be maintained to be eligible for a successive scholarship.
- 5) A student can be awarded the scholarship for two years, and the scholarship must be applied for within two consecutive years.
- 6) The student must be pursuing an undergraduate degree/major if attending a four-year college, or a specific certificate if attending a two-year college.
- 7) The scholarship committee will choose recipients and determine the scholarship amount rewarded to each.
- 9) Applications will be available in January and can be turned in starting May 1.
- 10) The deadline date for final receipt of the application and official transcripts is June 15.
- 11) One check will be distributed and written to both the student and college.
- 12) Students will be asked to come into the office for a picture and to pick up the check between mid-July and mid-August.
