

# **HOLY ROSARY CATHOLIC SCHOOL**

## **Buzz Book/Photograph/Video/Sound Release**

*What is the purpose of using images of my child/me?*

- Holy Rosary would like to use photographs, video, etc. of your child or you in promotional materials like pamphlets, church bulletins, recruiting videos, websites, school newsletters, social media, etc.
- Holy Rosary will also continue to photograph your child without your permission for school/church memories. Our school yearbook is one of these memories and it will continue to be produced. You are not asked permission for these archived memories.

*Why do you want a release for my child/me?*

- The church/school wants you to be informed of our intent and possible use of photographs and videos that may contain images of your child or you.

*Who does this apply to?*

- This applies to all families and staff at Holy Rosary School.

*Will I have my child(ren)'s name(s) or my name listed?*

- In printed materials such as our yearbook or school newsletter, yes, unless you prefer that it is not. An occasional use of names are put on social media for recognition purposes.

*Will the parish/school profit from the photographs/sound/composition?*

- The parish/school might use the photograph of students in materials for recruiting students and for marketing purposes. We will not sell photographs/sound/compositions to agencies.

*How long will this permission be valid?*

- There would be no limit.

*What if I refuse?*

- We would like 100% of our children, parents and staff to participate. This will make our use of the photographs/video/compositions easier to publish. If you refuse, we will not publish your child's name, photo or composition.

*What kind of information do you give out now and to who?*

- We print the annual "Buzz Book", which lists staff, teachers, PTO, school advisory council members, and students for the current school year. It includes students, their parents, and email address. This is a great tool for contacting other parents for events such as birthday parties. A parent has the right to let us know if they do not want their information printed in the book.
